September 1, 2024

Dear Friends,

On behalf of Hooked on Miracles, thank you for your participation in the 2024 Hooked on Miracles event. Through registration, cash donations, and auction donations/purchases, your generosity contributed to another successful fishing tournament for the participants who came out for a friendly competition and to support a great cause. This year's winner was none other than Tim Bell, taking home the big trophy.

We are very excited to announce that **the 2024 event raised \$132,000.00** in support of the ground-breaking and life-changing research of the BC Children's Hospital Foundation. Since 1988, Mining for Miracles has raised over \$35 million to improve health care for kids throughout BC. The funds raised will improve BC Children's Hospital's ability to provide answers for children with previously undiagnosed conditions, offering new information and hope to children and families who have often been on a long and traumatic diagnostic odyssey.

Thank you for continuing to make this annual event a successful one!

We look forward to seeing you again next year, **June 16th – 19th, 2025** in Tofino at the beautiful Middle Beach Lodge. We are hoping for a full house next year and encourage our participants to invite another company to register for this event. If you would like to prioritize your spot for the trip, please send an email to Jennifer.ferrier@fountaintire.com

We have never come across a more generous group of people who are passionate about giving back. We are honored to know you and call you friends.

Sincerely,
